

As a grant recipient of federal funds through the U.S. Department of Housing and Urban Development (HUD), the City of Gainesville has committed to Affirmatively Furthering Fair Housing (AFFH) and making concerted efforts to combat housing discrimination against protected classes. The city is currently developing a Housing Equity Plan which examines barriers to fair housing and identifies priorities and goals to mitigate fair housing issues as required under the federal Fair Housing Act and state and local law.

Neighbors, housing and homeless partners, non-profit service providers, neighborhood associations, realtors, lending institutions, developers, and other stakeholders are encouraged to join us to help identify community assets, fair housing strengths and gaps to determine potential fair housing issues in the City of Gainesville and the best course of action for resolving any impediments to fair housing choice, particularly for protected class groups.

The City of Gainesville is an Affirmative Action/Equal Opportunity/Drug Free Workplace Employer. The City of Gainesville is committed to a policy of non-discrimination in all city programs, services and activities, and will provide reasonable accommodations upon request. These public meetings will be held in locations that are accessible to persons with disabilities.
